# Gift Catalog

**Remember Niger Coalition**

**You're invited** to give the gift of quality education to children in Niger.

Niger is located in West Africa and is the least educated country in the world. Only 50% of children go to primary school, 22% go to middle school, and just 5% attend high school.

By giving a gift in this catalog, you are giving hope for a bright future to a child in Niger. This special gift will directly impact the child, who will share it with her family, her society and her country.

**Thank you.**
